

## Circuits des Remparts – Angouleme: 13<sup>th</sup> – 15<sup>th</sup> September 2024

### Overview

The whole town of Angouleme is 'closed' during the event, so once you have unloaded your race car into the paddock, you will not be able to access the paddock again with your private vehicle until the final race of the weekend has finished, so you will need to plan your arrival/accommodation accordingly.

### Arrival and Set-Up:

#### Thursday:

Arrivals are welcome on Thursday, but please let me know in advance your estimated time of arrival so I can let them know. You can take your trailer/truck to the paddock, and leave it there still loaded up overnight. On Friday morning you will need to take your trailer to the sign on/scrutineering place at the edge of town.

#### Friday:

This is the ideal day to arrive. You firstly go to the Sign on/scrutineering at the edge of town. Here you will have your car scrutineered and they have agreed to try to do this on/in your trailer to save you unloading at this point. You will also collect your paperwork and transponder here. You will then proceed to the paddock, unload your car and tools in the tent, which has 24/hour security, and return your trailer to the trailer park, which is in the same location as sign on.

### Scrutineering & Sign on:

- Friday 9.00 to 18.00
- Saturday 9.00 to 15.30

### Transponders:

These are provided free of charge by the organisers and available for collection at scrutineering against a deposit of either Eur 250 cash, or you can leave your ID card. At the end of the race, there will be a place in the paddock to return your transponders and collect your deposit/ID.

### Paddock:

There will be a tent provided for all FJ cars with electricity.

### Briefing:

Saturday at 17.30 in town near the paddock (inside in the town hall building or equivalent.)
