Competitors who experience mechanical problems, particularly if that problem is likely to be a hazard to others, must be stopped immediately in a place of safety. The competitor may also be liable for any excessive clean-up costs involved.

Motorsport is a non-contact sport and competitors who make contact with each-other render themselves liable to penalties in accordance with the current Motorsport UK Yearbook. Likewise competitors should remain within the white lines defining the edges of the circuit. Failure to do so will render the competitor liable to penalties up to and including exclusion.

The circuit fuel station will be open during the meeting, selling both Unleaded and Super Unleaded fuel. In addition, the AA Oil / Sunoco truck will be present delivering their pre-ordered control fuels.

All working areas should be kept clean and tidy and any waste placed in the appropriate container. Waste must not be mixed or waste left around the site.
