The totals from all qualifying rounds less two (if the number of rounds is from 8 to 13) will determine final championship points and positions.

If a dead-heat exists in the final classification of the Championship, whether Overall or in any class, the following steps are to be taken according to the following order of priority:

I. A Driver who has driven one car throughout the season will take precedence.

II. Should the dead-heat persist, precedence will be given to the Driver awarded the greatest number of 10, then 8, then 6, (and so on) points obtained in each of the qualifying Championship races in accordance with the provisions of the preceding paragraphs.

III. Should the dead-heat persist, a dead-heat will be declared between the Drivers concerned.

No driver who has qualified to start in less than 3 Championship rounds shall be entitled to a Championship Trophy
